Instrument Audition Submission Information and Guidelines

2020 Jazz House Summer Workshop and Fall 2020 – Spring 2021 Academic Year

A brief overview about this year's audition process:

1. The audition submission window this year is **April 1-30, 2020**
2. All auditions **MUST** be submitted on YouTube **in one complete and uninterrupted video**
3. For each section of the audition, prepare and record the portion of the music that is applicable to your skill level
 - Auditions will be judged first and foremost on accuracy, so please prioritize a portion of well-prepared material over performing everything (quality over quantity)
 - However, Jazz House Kids will have a better sense of your skill level with more of the audition material
4. **Any student interested in the 2020 Jazz House Big Band (for either Summer Workshop or 2020-21 Academic Year) MUST perform both big band excerpts for his/her instrument**

Audition Guidelines

Please carefully read through all information below, as your audition will not be considered if these guidelines are not followed

1. **The audition submission window is open from April 1-30, for all programs**; in order for your audition to be given full consideration, you **must** submit within this submission window
2. Any auditions submitted after April 30 will only be considered based on instrument availability
3. **All auditions must be submitted as a YouTube link**; please paste the **entire** URL link into the appropriate “Link to audition video on YouTube” line in your Active account (see above for details on video uploading)
4. Videos from a phone or similar device are completely acceptable as we are most interested in your playing and not the quality of the video
5. **All auditions must be video recorded in one uninterrupted, unedited segment**
6. **Please leave your video up on YouTube through September 1, 2020**; it is recommended to submit your YouTube video as “unlisted” rather than “public,” as it can only be accessed if the exact URL link is known
7. If you are interested in playing a second instrument in the program, you must submit a separate video for each instrument
 1. Jazz House Kids will try to accommodate students wishing to participate on two instruments where scheduling and instrumentation needs allow
 2. As priority must be given to any student on their primary instrument, Jazz House Kids cannot guarantee proper placement on secondary instruments
8. **Auditions should be approximately 6-7 minutes in length, and shall not exceed 10 minutes at the maximum**
 - **At the beginning of your video, please state your name, age, grade and school**
 - Each audition will consist of four sections:
 - Rudiments
 - Feels
 - Blues and Improvisation
 - Ballad
 - Big band excerpts
 - **Please do not use a metronome for any sections of the audition**

For each section, record only as much as you are comfortable and prepared to play. Auditions will be judged first and foremost on accuracy, so please prioritize a smaller portion of well-

prepared material over performing everything (quality over quantity). However, Jazz House Kids will have a better sense of your skill level with more material presented. As this is a placement audition, we do not need to hear you perform everything perfectly, but instead are looking to understand the best placement for your optimal learning experience.
